

## **Sha-Rhonda Davis**

*As the owner of a counseling center that empowers individuals to change their lives, Sha-Rhonda Davis directs her clients back to the driver's seat of their lives. Being driven and focused throughout her educational career, she laid a solid foundation that has allowed her to build and command her God-given gifting. Through the grace of God, not only does she call the shots in her life, but more importantly, she empowers others to be the shot-callers in their own lives. For this reason, Sha-Rhonda deserves the "**Shot Caller**" Award. Congratulations, Sha-Rhonda!*
